As one of Sydney's premier destinations for sport, recreation and competition, the Y Bennelong Sports Centre brings together world-class facilities and meaningful community impact.

With more than 15 years of service in the Ryde area, the operators, the Y NSW is proud to continue supporting local families and communities through spaces like the Y Bennelong. More than just a venue, every match, training session and community event helps support programs that empower young people, strengthen families and build more connected communities.

Built for sport and designed for community, the multi sports centre features 33 state-of-the-art courts, including a purpose-built indoor facility with four multipurpose courts and 29 outdoor netball courts.
