Welcome and thank you for choosing the Y Indoor Sports Competitions. Our competitions are professionally run and SERIOUSLY FUN. Our competitions focus on fun, fairness, and participation. We use great facilities and umpires and offer the latest in online draws, results and fixtures.

This document contains all competition information and includes instructions for registration. Our Netball competition is 7-a-side and played indoor based on World Netball Rules.

COMPETITION DETAILS

COMPETITION	SEASON DATES	TIMES	TEAM COSTS
Saturday Junior (7-15yrs)	20 September 2025 - 7 March 2026	8:00am-2:00pm	16 weeks (including grading, rounds and finals) = \$1120

IMPORTANT NOTE ABOUT TIMESLOTS: *It is not possible to accommodate time requests.*

As a 2-court stadium, it is close to inevitable that any division will need to have games scheduled across multiple timeslots. For divisions using the shorter 8ft ring, games will likely run on 1 court over consecutive timeslots. Generally speaking, divisions are scheduled to minimise the range of times teams need to be available for during the season, as much as possible. Younger divisions are usually scheduled earlier, working through to the early afternoon for the older divisions, subject to interest.

It is not possible to confirm what times teams will be allocated prior to registration and the completion of grading rounds.

*The Y reserves the right to adjust the amount of grading rounds therefore increasing or decreasing the number of competition rounds.

Sept/Oct School Holiday Break: No games 27 Sept, 4 Oct and 11 Oct

Christmas School Holiday Break: 20 Dec - 24 Jan (inclusive). First game back in 2026 on 31 Jan

COMPETITION FEES

Deposit:

- Team Registration is secured with a \$200 **NON-REFUNDABLE** deposit, which is taken off your remaining team fee balance. This deposit is paid online through our SportsFix registration platform.

Team Fee Balance:

- The outstanding team fee balance is paid direct to the Centre (i.e. not online) and must be **paid no later than the Saturday 1st November 2025. Failure to pay by the due date may result in the team being removed from the competition with no refund.**
- RCSC will only accept **bulk payments** from the Team Manager rather than split payments for team fees.
- Payments can be made at the RCSC Reception by cash or card (EFTPOS, Visa, Mastercard only).
- RCSC accepts Active Kids Vouchers (AKV's) towards team fees. If you have any players wishing to use AKVs towards their team fee contribution, we ask that the Team Contact confirm which players are redeeming AKVs in a single email to admin.rcsc@ymcansw.org.au. by no later than 25 October 2025. Staff will then acknowledge and provide the link for guardians to lodge their AKV details.
- No discount on fees will be given if a BYE exists and/or a forfeit occurs in your competition division.
- Team Season fee is NOT inclusive of Individual Player insurance which is separate per person cost (details below).

Team Withdrawals and Refunds:

- The \$200 team fee deposit paid at the time of registration is **NON-REFUNDABLE**.
- If a team elects to withdraw from the competition BEFORE the full team fee balance is paid, they will be required to pay the outstanding amount. If the balance isn't paid then the team will be banned from future competitions until payment has been made.
- If a team elects to withdraw from the competition after the full team fee balance is paid, they are not eligible for any refund, irrespective of when the team is withdrawn.
- If RCSC deems that a team cannot be accommodated due to insufficient teams in an appropriate age/division, a full refund of the deposit will be offered. Note: this is at RCSC discretion and not relevant if a team elects to withdraw due to grading or timeslot allocation preferences not being met. No discount on fees will be given if a BYE exists and/or a forfeit occurs in your competition division.

REGISTRATION PROCESS

STEPS TO REGISTER A TEAM + ADD PLAYERS

Online registrations can be made on **SportsFix**. The Team Manager is the person (18yrs+) who is the Primary Contact for the team and whom takes responsibility for communicating with their players regarding registration requirements and all other matters during the season. **It cannot be a player in the junior team.** The Team Manager must complete the Team Registration online first and then individual players (or their guardians) are able to add themselves to the team via an online link (the online link will be closed Monday 15th September. Players who register beyond this date will need to complete a paper Registration Form)

As the deposit is NON-REFUNDABLE, please only submit a team registration if you have a viable team.

If you do not already have a SportFix account, you will need to create one, following the prompts.

1. Team Manager (to Register the team):

- <https://sportfix.net/RydeCommunitySportsCentre>, or go to sportfix.net and search for "Ryde" in the venue search to select Ryde Community Sports Centre.
- Click on "Register a new team".
- Proceed to your relevant sport and Competition day/night.
- Submit your team name (Please put age of eldest player in 2025 in Brackets after name), skill level, agree to the T&Cs.
- Pay the deposit as prompted.
- The Centre will be notified of your registration in real time. The team details will be accessible through "My Registrations" and your registration status will read "Pending Allocation". Teams are "allocated" when fixtures are developed.
- You will receive a Confirmation and Welcome email from RCSC within 48 hours with info on next steps.

2. Team Manager (to "invite" players to join):

- Go to "My Registrations" within your SportFix account. Copy the Invitation Link or Invite Code.
- All players (or their guardians) will need to login or create an account if they are new to SportFix.
- Direct to sportfix.net and advise them to search to select Ryde Community Sports Centre.
- Click on "+ join a Team" and enter the Invitation Code. This should direct them to register a player in your team.
- **If a parent/guardian is using their own account to register a child, please ensure they select the tick box "I Am completing the registration on behalf of another person" to ensure the child's details are the ones registered and not the guardian's.**
- Ensure all player details are completed as required and follow prompts to pay for the Individual Player Insurance.
- Once Individual Player Insurance is paid, they will appear as a registered player.

RCSC recommends 9 players per team, **minimum of 7** and maximum of 15 players are allowed on each team. If you wish to have more than 15 players, the Team Contact must consult with RCSC staff first. Please speak with your players and determine their general availability to help decide how many players your team will need to remain viable throughout the season.

Teams must complete registrations for each new season/competition. There is no automatic "roll over" of registrations from season to season.

Team Names must be appropriate. This is at the discretion of RCSC staff. In the event that multiple teams register with the same or very similar names, the team that registered first will keep the name and subsequent teams will be asked to provide a new name.

PLEASE NOTE THAT WE OPERATE ON A FIRST IN FIRST SERVED BASIS AS CAPACITY IS LIMITED.

INDIVIDUAL NETBALL PLAYER INSURANCE

- **ALL players must be registered prior to taking the court. Individual Player insurance is a requirement for registration.**
- The online player registration link will be active up until 10AM Monday 15th September. Up to this time, the payment for Individual Player insurance is to be completed online through the SportFix platform when the player registers themselves (or a parent/guardian registers the child playing) in their team (further instructions on previous page). Players may be registered throughout the competition, but online registrations will be closed from Monday 9th September. Subsequent player registrations require the completion of a paper Registration form with guardian signature. Please confirm additional players looking to register once the grading is finalised are of an appropriate age/skill level with the Competition Coordinator prior to completing registration.
- Players can be added once the season starts (not online), subject to RCSC staff approval (as our competitions are graded).

Individual Player Insurance - per person, per season

- Junior Netball Player Registration = **\$31**

Insurance is brokered by Arthur J Gallagher for Indoor Sports NSW.

IMPORTANT:

- Please report all injuries and incidents immediately to Centre staff so that an Incident Form can be completed. Failure to report injuries at the time of incidence may result in any subsequent Personal Injury insurance Claim being declined by the insurer.
- **Please notify RCSC at admin.rcsc@ymcansw.org.au if you or your child has sustained an injury while participating in our competition and a Claim guide and form will be emailed to you.**
- Once all other sections on the Claim Form have been completed, the Competition Coordinator/Centre Manager will need to sign the Club Declaration section before the Claim can be sent to Indoor Sports NSW and the Insurer.
- Completed Claim Forms must be submitted to the insurer WITHIN 30 DAYS of the incident, in order to initiate the claim (additional receipts and details can be provided at a later time once the claim is initiated).
- The final outcome of any claim is at the discretion of AJG Insurance and not YMCA Staff

If injuries and incidents are not sufficiently documented at the time, this may invalidate a subsequent insurance claim.

Indoor Sports NSW has arranged this insurance program to provide benefits to those registered participants of Indoor Sports NSW participating centres who, through injury or accident, incur financial loss and who would otherwise not have received assistance. The program seeks to provide benefits to those most exposed and to maintain protection at the lowest possible cost. It therefore cannot provide 100% cover or a benefit for every loss that occurs. Federal Government Legislation prevents insurance companies from paying any insurance benefit for a medical service that is covered by Medicare. This legislation also applies to the Medicare gap. In addition to these policies all participants are encouraged to take out Private Health Insurance.

The insurer for the Personal Accident Program is Arthur J Gallagher. Indoor Sports New South Wales - ABN 69 009 098 864
AFS Licence No: 226827

GAME DETAILS + REQUIREMENTS

TEAM MANAGER ** MUST BE AT LEAST 18 YEARS OLD

The Team Manager is the person responsible for registering the team online. They will be the key contact should the Centre need to provide any correspondence regarding the competition (eg. fee reminders, notice of forfeit). It will be the responsibility of the Team Manager to pass all correspondence on to their team players. This person may also act as a 'coach', or a different person may provide coaching support to the team if desired.

Team season fee payments must only come from the Team Manager. Teams can organise amongst themselves to determine the amount that individuals owe, but the Centre will **only accept bulk payments from the Team Manager.**

At least one responsible adult must be present during games. This does not need to be the Team Manager.

If a team wishes to change the person listed as the Team Manager, please notify the Centre by email at admin.rcsc@ymcansw.org.au. Secondary contacts can also be listed

DURATION OF GAME

4 x 7 Minute Quarters

35 minute time-slots

SIGN ON

- **IT IS THE TEAM MANAGER'S RESPONSIBILITY TO ENSURE PLAYERS ARE SIGNED ON CORRECTLY BEFORE TAKING THE COURT**
- The Team Manager (or Coach) must sign on all players prior to the game starting. **AT LEAST 5 REGISTERED MEMBERS OF THE TEAM MUST SIGN ON BEFORE THE GAME CAN START. Fewer than the 5 registered team members after 5 mins will result in a forfeit being declared.** A friendly can be played but only with players who are registered to play at RCSC.
- If an unregistered player takes the court, the game may be declared a forfeit.
- **Borrowed players** must also write their names at the bottom of the score sheet and indicate which team they are registered in. (Note, you can borrow from the same or a lower division, but not from a higher division). **For a competition game no more than 2 borrowed players can be on court at one time and they can only play as WA or WD. If a borrowed player is playing in any other position the game may be declared a forfeit.**
- **Late players** must sign on and check with umpires before taking the court
- The Team Manager or other responsible adult present must sign the scoresheet at the conclusion of the game, confirming all sign on details for their team are correct and to confirm they agree with score and opposition sign on details. Any challenges regarding score or opposition player eligibility must be lodged with RCSC staff as soon as possible and BEFORE the scoresheet is signed off.

TEAMS AND PLAYERS

A minimum of 7 players must be registered by 12PM Friday 12th September to be eligible to play in the first week of the season.

The Y at RCSC recommends registering nine (9) players per team, with a maximum of fifteen (15) players registered. ALL players are to be individually registered to be eligible for insurance claims

IMPORTANT: Each person can only register in one netball team per competition day (irrespective of the number of divisions)

- Age divisions are based on the age the eldest player is turning at any point during the 2024 calendar year
- Date of birth must be included in players' online registration. Proof of Age may be requested by Centre staff
- All players must be turning at least 7 years old in 2024
- Boys turning no older than 12 years in 2024 are permitted to register
- Please note that, depending on team numbers, age divisions can be combined to make one competition (e.g. 11/12s). As such, RCSC recommends that teams do not have a player age range of more than 1-1.5 years within one team
 - For example: Having a 9 year old in an 11s team could mean that they have to play against 12 year old players. Please contact the Centre if you need further clarification on this matter

GRADING

Generally, grading of teams is scheduled for the first 2 weeks of the season. However, the Centre may not conduct grading if team numbers only allow for one division. Similarly, RCSC may extend the number of grading weeks if grading results are inconclusive after 2 weeks. Divisions may be strictly aged based, or they may be organised across ages based on observed skill levels. .

Teams will be asked to fill out an Expression of Interest form after registering to provide information in relation to team playing ability, age, and ideal competition level. This will allow the Centre to more accurately grade teams during the Grading Rounds. Final determination of grades is the responsibility of the Competition Coordinators, in consultation with Centre Management, where necessary. While age is taken into account when grading, some divisions will accommodate a range of ages because the skill level is comparable. As such, divisions are often identified by colours, rather than a clear age bracket. The hierarchy of colours will be confirmed once grading is complete to allow teams to know which other teams they may borrow players from.

Modified Divisions: Teams with 7-9yr old players are eligible to play in a Modified Netball division. Teams will have the option of playing with 8ft or 10ft posts (teams can change their preference throughout the season). Umpires will follow modified rules (eg. 4 seconds. 4ft defending etc). Scores are recorded on scoresheet for grading reference but not published. Throughout the season, scores will not be recorded and as such there will not be a competition ladder. The Modified divisions will play a round robin with no finals.

Please note: Decisions about a team's division are not based solely on whether they win or lose grading games. It takes into account a team's skill and performance, relative to other registered teams. While a team's performance in previous seasons or other local competitions may be taken into account for perspective when grading, all competitions are different and grading allocations reflect the varying skill and experience levels represented in a competition and that given point in time. Grading must take into account a team's likely performance if playing with its strongest line up, it is not possible to take into account that stronger players may be absent from time to time.

If there is an instance where a team cannot be suitably graded (i.e. there aren't enough teams of similar age/level to include in a competition), a full refund of any games not played will be issued.

Re-Grading Policy: In the event that the Competition Coordinator deems that a team would be better placed in a different division, the relevant teams will be contacted with the change of division proposal, and an opportunity for team feedback will be provided. The Competition Coordinator will review any feedback submitted and make the final decision about the viability of a division change. All impacted teams will be notified as required.

Teams that move into a different division will be placed with the same competition ladder statistics as the team 1 place outside semis/finals qualification (eg. in a division with Top 4 finals series, the re-graded team will be placed in equal 5th).

SEASON FIXTURES

Notification of Grading and Release of Season Fixtures: Once graded, teams will receive an email confirming their division and a season draw will be made available (or part-season, if deemed appropriate by the Competition Coordinator). Fixtures and results will be made visible through the SportFix app (free to download from your app store).

BYE round date requests can be considered if details are submitted to the Competition Coordinator prior to the season draw being finalised.

Division Composition: As Junior Competitions are shorter than RCSC adult sports competitions, the minimum number of teams required for a division is 4. The smallest number of teams in a division with byes will be 7. Please note this does not apply to a mid-season division split (eg. 11 teams play each other once and then split into top 6 and bottom 5). The Summer 25/26 season is a total of 16 weeks. As such, it is possible that not all teams will play other teams in the same division an equal number of times (or have the same number of BYEs), depending on the number of teams in a division. The draw is generated at random, but the Competition Coordinator may factor in BYEs for grading when determining team order.

Timeslots: Timeslot range for specific divisions cannot be confirmed until grading is complete. Every effort is made to limit the time range of games in each division, but as a 2-court stadium, it is highly likely that teams in each division may be allocated games across 2-4 timeslots. Timeslot preferences within that range can only be considered if there is a complementary request from another team which means no disadvantage to other teams in the division.

Mid-season fixture changes: If there is a need for fixtures to be altered (eg. teams moving divisions), all impacted teams will be notified by email (and phone call if change made within 5 days of next round).

COMPETITION POINTS - Competitive Divisions Only (Not Modified)

Win = 3 points Loss = 1 point Loss by forfeit = 0 point
 Draw = 2 points Bye = 3 points

Teams on equal competition points will be ranked based on:

1. For and Against % (ie. goals for / goals against x 100).

NETBALL RULES

RCSC Netball is played following World Netball Rules, with the some minor exceptions, which include:

1. Teams have 5 minutes(not 30 secs) to have the minimum 5 players from their own team on court for a competition game to go ahead.
2. Playing gloves are permitted and some jewellery items may be warned as long as taping them securely eliminates safety risks for all players. **NOTE: The Centre does not provide tape/bandaids for the purpose of securing adornments.**
3. A player does not have to leave the court if a brief injury time is called by a player or umpire and the issue can be rectified quickly. This is at the umpire's discretion. If first aid is required, the player will likely need to be substituted.
4. In the event that a player is ordered off (ie suspended and cannot participate in the remainder of the game), the position must remain vacant for 2 minutes (except C, in which case a different on court player must move into C and leave a different position vacant) before another player can occupy the position. This is a proportionate reduction from the 4 minutes required for regular 60 minute games.

FORFEITS & FRIENDLIES

Teams considering a forfeit:

- At least 5 registered players from their own team must take the court to avoid a forfeit. Please be considerate to your opposition and provide as much notice as possible.
- A team **must** inform the Centre of their intent to forfeit as soon as possible, preferably by phone (9878 2223) and by email admin.rcsc@ymcansw.org.au.
- A phone call is necessary when giving limited notice e.g. 5 hours or less, with a follow-up email required as well
- RCSC will also send an email to the forfeiting team to confirm forfeit is acknowledged.
- A forfeit notification must be acknowledged. Please do not leave a voicemail.
- Players in teams that have forfeited may still participate in any friendly matches that are organised.
- All players in the forfeiting team are considered to not have played for game attendance calculation purposes (ie. Finals qualification - minimum 5 games).

Teams being forfeited to:

- The Team Manager will be notified by phone in the event that the team's opposition intend to forfeit. If the Team Manager cannot be reached, RCSC staff will attempt to call any listed secondary contacts, followed by other players in the team. Forfeits will also be confirmed by email.
- **Your team will receive a 15-0 win (10yrs+).** - scores aren't recorded for 7-9yrs modified divisions.
- The Centre will do its best to arrange a friendly game for teams forfeited against, otherwise the timeslot of your game time will be available for your team to train. Please read the table on the last page of this Registration Pack to see how we work our friendly games procedures.
- There are no refunds of season fees paid when your team misses a game due to a forfeit. The timeslot of your game time will be available for your team to use the court to train in lieu of refunds or friendlies.

Note: Teams may be contacted in relation to moving timeslots in the case of forfeits.

LATENESS POLICY

Failure to take the court in the first quarter with at least FIVE (5) players within 5 minutes will result in an automatic forfeit. A friendly may be played after this time.

BORROWING PLAYERS

Players can be borrowed from other teams provided that they:

- Are registered for the current season;
- Identify their name and original team details on the scoresheet (including if they played part of a game or whole game);
- Play in the same or lower division as the team they are filling in for;
- Only play in the WA or WD positions when filling in, and;
- Are filling in for a team that has less than 7 registered players available to take the court (ie. You can't borrow to have a reserve).
- **FAILURE TO FOLLOW THE ABOVE RULES MAY RESULT IN A FORFEIT.**

NOTE: Players CANNOT be borrowed for finals (includes semi finals/preliminary finals/grand finals)

FINALS SERIES 10YRS+ (NOT MODIFIED DIV)

- Teams will play 2 weeks of finals/playoffs for all competitions, unless otherwise predetermined by the Competition Coordinator .
- Generally, the format for finals is: Semi Finals - 1st v 4th and 2nd v 3rd, with the winners playing each other in the Grand Final.
This format is subject to change at the discretion of the Competition Coordinator.
- Teams that do not qualify for finals will be invited to participate in friendly matches across the finals weeks, if interested.
- A PLAYER MUST PLAY A MINIMUM OF FIVE (5) GAMES WITH THE BOARD BEING SIGNED FOR THEIR REGISTERED TEAM DURING THE REGULAR SEASON TO QUALIFY FOR FINALS. Grading games played, BYE rounds and games that were won by forfeit are considered games played if the player was registered in the team at the time.
- **Any games where a player has not been signed on, either due to lateness or forgetting, does not count as a game played.**

UNIFORMS

- Playing bibs are provided by the Centre (Teams may supply their own if they wish). Non-marking shoes must be worn. Playing gloves are permitted but the player must bring their own (RCSC will not supply gloves). Teams are welcome to wear uniforms or matching shirts etc, but it is not compulsory.
 - Fingernails must be to satisfaction of the umpire and Centre management, as per World Netball Rules – i.e. fingernails must be short AND smooth (including acrylic nails). Fingernails should not be visibly protruding over the tips of your fingers when presenting your palms forward.
 - Umpires will also inspect that all jewellery and other hard adornments (eg. hard-brimmed hats) are removed before taking the court. The only exceptions include flat stud earrings (no hoop earrings) which can be taped in a way which properly secures the adornment and ensures no risk to other players or the player themselves (eg. Medical alert bracelet). If you are unsure of what adornments can be permitted, please confirm with RCSC as soon as practical.
- NOTE: The Centre does not provide tape or bandaids for the purpose of securing adornments.**

PENALTIES

In the event of misconduct, suspensions will be awarded at the discretion of centre staff.

Suspensions can apply for both on and off court incidents. Players and team supporters/personnel are responsible for your actions and behavior at all times within the Centre.

Ryde YMCA uses the Netball NSW Schedule of Disciplinary Penalties as a guideline for warnings and suspensions.

CHALLENGES

Any challenges made by a team towards another team i.e. suspected unregistered players playing or other match disputes must be done through competitions staff as soon as possible, preferably at the start of the game. Challenges cannot be lodged once the Team Manager or other nominated responsible adult has signed the scoresheet at the end of the game.

- One representative from each team should oversee the Official Scoreboard together, positioning in the vicinity of the middle of the sideline seating. The score on the Official scoreboard will be taken as final.

COMPLAINTS AND REPORTABLE CONDUCT PROCEDURE

The Team Manager may politely approach match officials to ask for clarification regarding rules and procedures at appropriate intervals (eg. quarter-time break). Teams are also encouraged to alert RCSC staff if they have any concerns during the game. After a game, teams wanting to register a complaint or reportable misconduct about another player, team, referee or Centre staff may complete a **Match Report Form**, which will be given to all team captains upon request. Alternatively, an email can be submitted to admin.rcsc@ymcansw.org.au.

PLEASE NOTE: That this is the correct way of registering a complaint. Teams failing to comply with this and confronting referees, players or staff without adhering to the Code of Conduct may receive suspensions or dismissals from the competition.

All complaints will be taken seriously, and appropriate actions will be undertaken in the following weeks of competition. However, depending on the severity of the complaint, some complaints may take longer to resolve.

Complaints involving staff members, sensitive information or very serious complaints will need to be emailed to the Centre Manager at emily.donkin@ymcansw.org.au

REFUNDS

Monies paid as Team Fee deposits, team fee balances and individual player registrations are NON-REFUNDABLE for change of mind. Dissatisfaction with grading or timeslots for games does not entitle a team to a refund.

Refund applications will be considered by the Centre Coordinator in the event of documented extenuating circumstances, or in the event that the competition does not go ahead due to insufficient registrations.

YMCA NSW will not be responsible for any competition days and/or rounds canceled due to factors beyond our control, such as, Environmental Issues (flooding, heat, smoke, wind) or cancellations due to advice from Authoritative Directions (NSW Police, NSW Emergency Services, Local and State Governments and or any other national, state and/or local authority) and or Abandonment due to illegal activity (vandalism, sabotage or criminal and illegal activity). In the event of any such cancellations and/or Abandonment, YMCA NSW reserves the right to NOT Refund any fees, deposits, payments or any other costs incurred by individual participants and or teams, spectators, players and supporters.
